

## HSL-KUB-2D

Self-Boiler Full Auto. Vacuum-Blown-Bacala-Lambali - Arm-stain with pistol and hand iron Dar Paskala

It is especially suitable for dry cleaning and laundry use. Easy ironing thanks to its strong vacuum feature. The blowing feature prevents the shine of the fabric and liner. Especially in black clothes, it prevents formation of vapor pressure stains. You can do stain removal process with stain pistol in the machine.

The addition of chimney, balancer and lamp facilitates the ironing process and increases the ironing quality.
